DAY ONE

Loudoun County is known as DC's Wine Country. Rolling green hills, where horses roam and little winding roads take you far away from the day's troubles. Salamander Resort and Spa sits surrounded by beautiful countryside, wrapped in serenity. Take a tour of the numerous local wineries, serving award-winning vintages. Visit the spa for a soothing massage followed by a soak in the elegant infinity-edged pool. Tempt your taste buds with a culinary trip through the Virginia Piedmont with the chef's curated tasting menu. Then end your night relaxing by the outdoor firepits as fireflies dance through the air.

DAY TWO

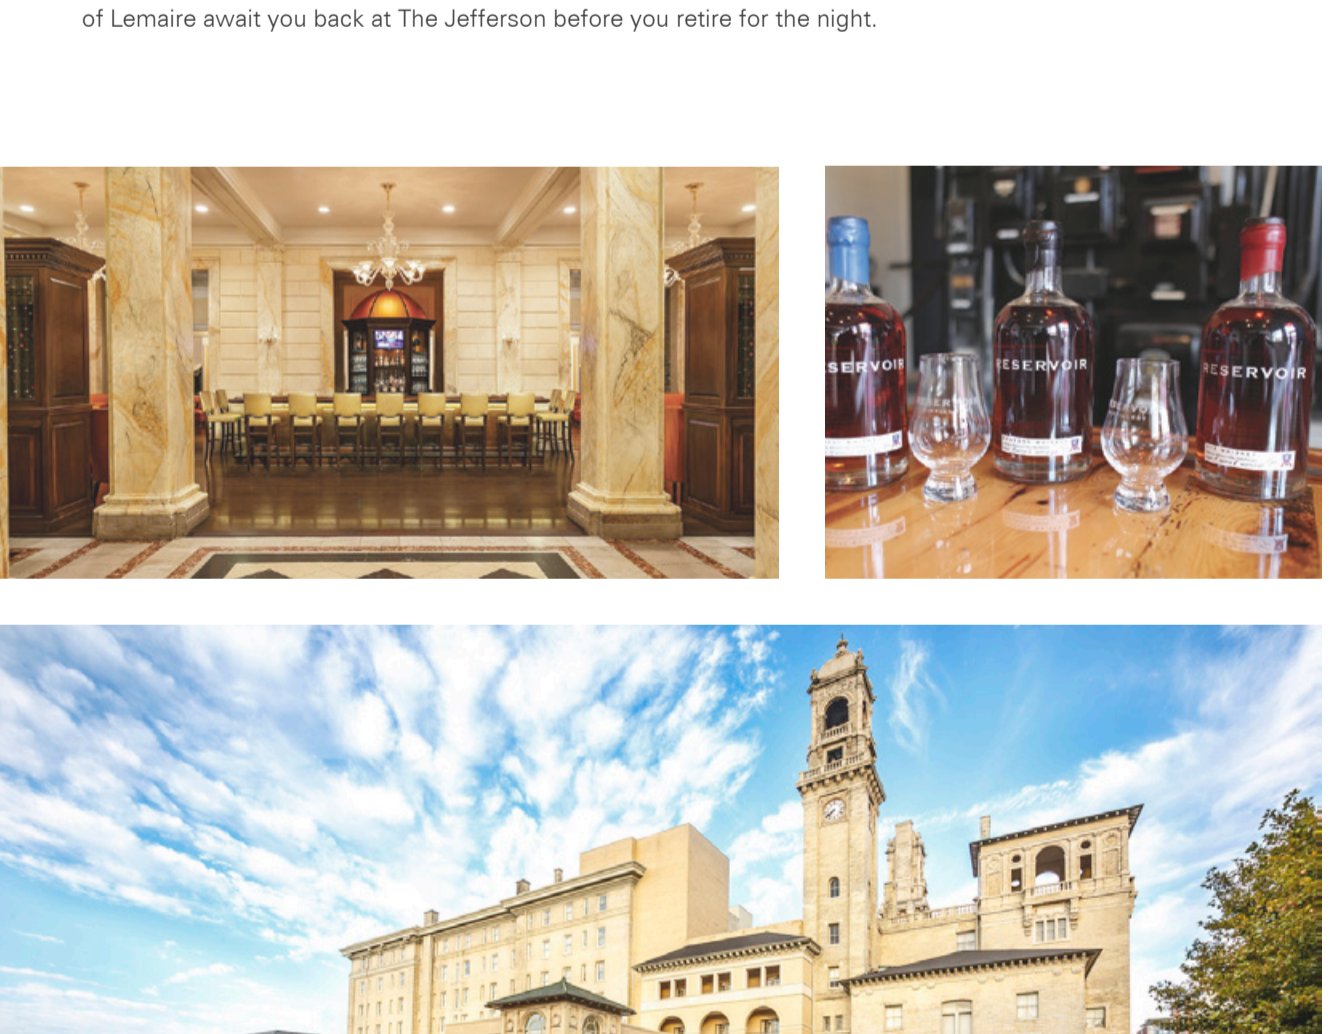

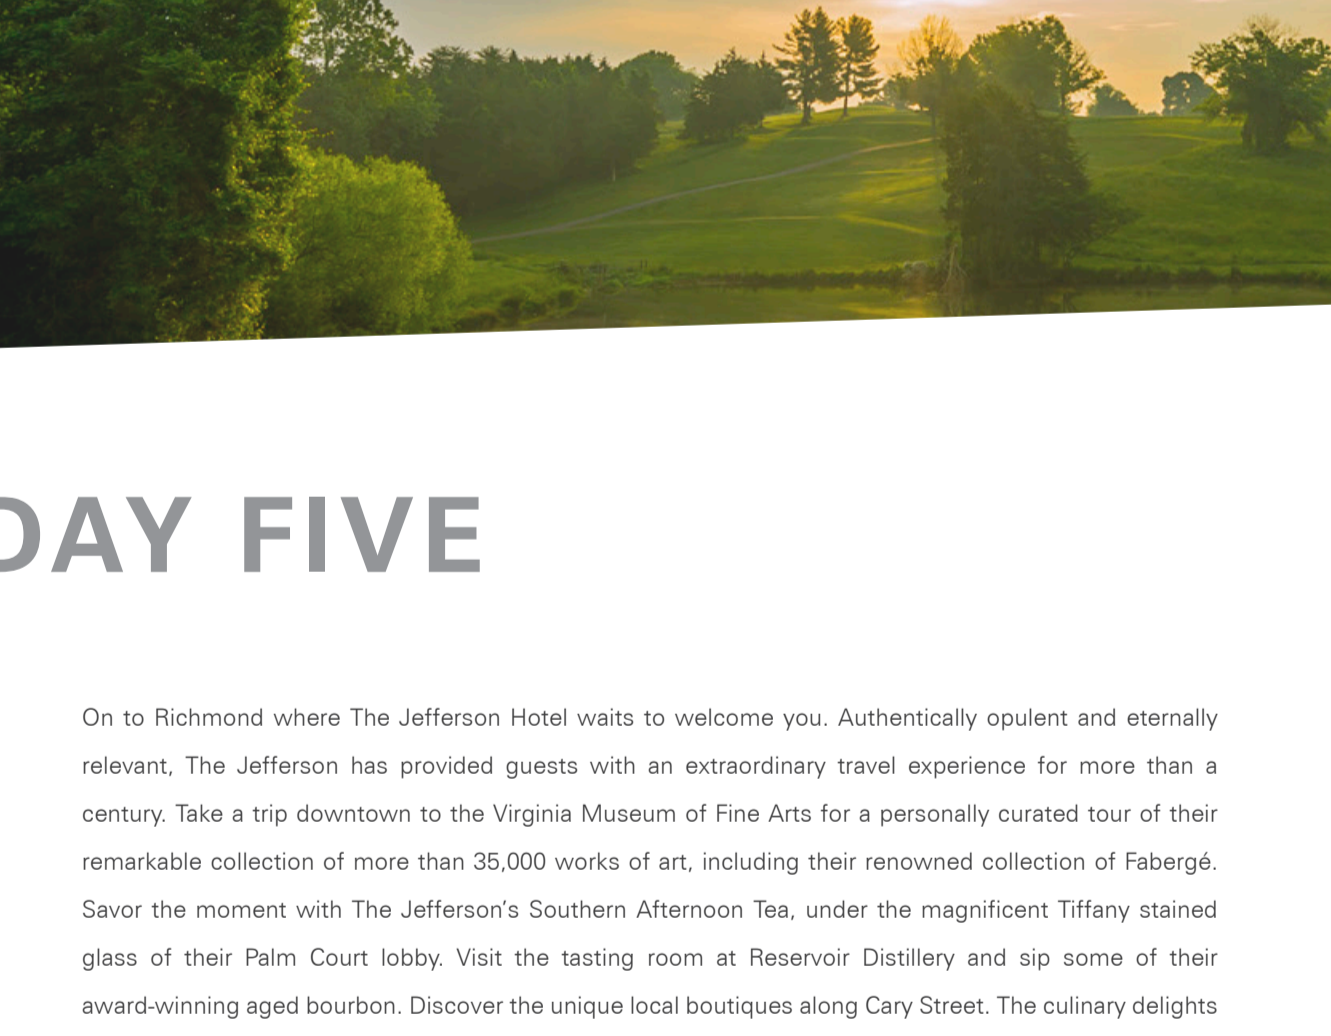

Start your day with yoga on horseback, or a brisk morning ride with Salamander's equestrian program. Move on to a cooking class in the special demonstration kitchen or grab your clubs and enjoy exclusive golf privileges at nearby Creighton Farms. Take a wine and painting class or with nature as your classroom, experience the thrill of partnering with a raptor in an Ultimate Falconry Experience. Stroll down the shaded streets of Middleburg and shop in the exclusive boutiques, then dine at a historic inn favored by Jackie Kennedy.

DAY THREE

Depart for Charlottesville and the historic Keswick Hall & Golf Club, a gorgeous Italianate-style estate built in 1912. Take the scenic route and stop for lunch at The Inn at Little Washington to enjoy Patrick O'Connell's inspired, Michelin award-winning cuisine, described by critics as "so good it makes you cry." Once you've settled in at Keswick Hall, head to the spa for "The Keswick Reserve," a

vineyard-inspired vinotherapy regimen. Or enroll in one of the many activities on site including archery classes, gardening and cooking workshops, birdwatching, and tennis clinics. Or take a history and garden tour of the property. Finish the evening with dinner at the resort's AAA Four-Diamond Fosse's with gorgeous views of the Blue Ridge Mountains.

Spend your morning on the Pete Dye-designed golf course or let the concierge help you arrange an off-site hot-air balloon ride; fly-fishing adventure; winery tour and tasting; or historical site tour. Jefferson's Virginia offers personalized tours of Thomas Jefferson's Monticello, James Madison's Montpelier or James Monroe's Highland, providing guests with unique insights into the past presidents' lives. Find yourself in Downtown Charlottesville as the day winds down, where you can shop for local art and dine on regionally inspired cuisine paired perfectly with Virginia wine.
