OVERVIEW

The Virginia Tourism Corporation (VTC) is pleased to announce that applications are now open for the Virginia Tourism Corporation (VTC) Fall 2023 VA250 Tourism Marketing Program. This program is offered in partnership with the VA250 Commission.

America’s 250th commemoration is 2026-2031. In preparation for those commemoration years, localities, museums, and history-focused attractions are encouraged to begin their planning process for the commemoration.

PLEASE NOTE: This application for the VA250 Tourism Marketing Program differs from past VTC Marketing Leverage Program applications. Below is a quick overview of the changes:

- Different online application process than in the past.
- One funding tier:
  - $10,000
- Required 1:1 cash match. However, if the applicant is in a federally-designated Economic Development District (a full list can be found here) then the applicant may list in-kind match using paid, earned, and owned media.
- There is NO lookback period with this program. Since this is the first round of a new program with specific themed requirements, no expenses paid before October 17, 2023 may be used as cash match or for reimbursement.
• Partner Requirement – You will need to identify two other partners who you can work with to leverage your marketing dollars. You must upload a letter of support and their financial commitment amount (minimum $250.)
• Officially recognized VA250 community committees, towns that are also officially designated VTC DMOs covered by a VA250 community committee, museums, and history-focused attractions may apply. A resolution passed by the local governing body establishing the VA250 committee for that locality must be uploaded with the application.
• Tentatively, the program will be offered twice each year and applicants are encouraged to scaffold and phase a plan for their commemoration in order to access these and other funds over the next several years.
• DMO Requirements: You must identify local or regional DMO and upload a letter of support from the DMO for your program. DMO’s are not required to provide a financial commitment unless they are also acting as a partner in your program.
• Bonus Points are available. Applicants should pay close attention to the bonus point opportunities.
• COMPETITION FOR THIS GRANT PROGRAM WILL BE STRONG. Please follow ALL directions and answer as completely as possible.
• Due to the anticipated number of applications, and to expedite application approval, a draft review of applications will not be possible.
• Only online applications will be accepted.
• Do NOT send – via email or regular mail – any attachments or supplemental materials. These materials will NOT be reviewed. Only submit the requested and required information via this online application!

To receive a full $10,000 award from VTC, your Cash Match section must equal at least $10,000.

**ECONOMIC DEVELOPMENT DISTRICT INFORMATION: APPLICANTS THAT ARE LOCATED WITHIN A FEDERALLY DESIGNATED ECONOMIC DEVELOPMENT DISTRICT (LINK) MAY PROVIDE IN-KIND MATCH INSTEAD OF CASH MATCH. IF YOU LOCALITY IS NOT ON THE LIST IN THE LINK ABOVE THEN YOU MUST PROVIDE CASH MATCH.**

**NOTE:** Non-marketing value expenses, such as office space, CANNOT be used as cash OR IN-KIND match. ONLY eligible items listed in the VTC VA250 Tourism Marketing Program Terms and Conditions may be used for match and ONLY expenses incurred on or after October 17, 2023 may count as match.

### HELPFUL TIPS for your CASH OR IN-KIND MATCH MARKETING PLAN

- This section lists the match that you are spending or attesting to in order to meet the 1:1 match minimum requirement. These are *not* the items for which you would seek reimbursement. These are items that you have paid for or earned that you are listing as match for this program. The items for which you would seek reimbursement go in the next section. For items where you are splitting the cost between your match and your reimbursement line items, then you list them separately. Example: If you are spending $10,000 on Facebook boosts, you can list $5,000 in the cash in-kind math marketing plan section and $5,000 in the reimbursable marketing plan section. You would only be reimbursed for the $5,000 in the reimbursable marketing plan section.

- **Owned Media** is media you create and control. This could be your business blog, YouTube Channel, Instagram account, website, or Facebook page.

- **Earned Media** is when customers, the press, or the public share your content. This includes the advertising equivalent value of media coverage.

- **Paid Media** is when you pay for marketing, such as advertising through media outlets.

- You may have methods of determining the value of your Owned, Earned, and Paid Media. If so, then use those methods in estimating the value of your marketing media.

- Your match can exceed the 1:1 requirement. For instance, you may list $10,000 in match for a $5,000 requested award. The minimum match is 1:1.

- For owned media, you can count the number of site visits (use your web analytic tools) from July 1, 2023 onward at 10 cents each as in-kind match. You can count social media channel followers at 10 cents each. Look at your Facebook and Instagram insights for this data. For instance, if you have 1,000 Facebook followers, your in-kind match for Facebook is $100.

- For earned media, use advertising rate equivalency. For instance, if you have ¼ page of editorial in a publication and ¼ page of advertising in that publication costs $100, you can count $100 as in-kind match. You may only count earned media back to July 1, 2023.

- For paid media/advertising and marketing costs that you have paid for list them as line items. If you paid $100 for an ad in a publication, you could list that paid ad as match. You may only count paid media back to July 1, 2023.

- Because we streamlined our application for this round, there are only 10 lines available to list your match.

- Be sure to include placement dates by month/year. Be sure to fully describe the target markets and target demographics for each line item.

- In the MEDIA DESCRIPTION box, indicate how you valued your in-kind match for that line item and specific details about that line item.

- Your CASH or IN-KIND Match Marketing Plan must be **equal or more** than your Reimbursable Marketing Budget. This program requires a 1:1 match. For a maximum $5K award, you must show at least $5k in cash or in-kind match in your in-kind marketing plan.

- Non-marketing value, such as office space or staff wages, CANNOT be used as in-kind value match. Wages for marketing staff are not eligible. **ONLY eligible cash or in-kind MARKETING values may be used for match.** Refer to eligible expense and ineligible expense list as stated Terms & Conditions.

- Advertisement and marketing expenses paid for with prior awards from other VTC grant programs cannot be used as match.

- **IMPORTANT:** PLEASE **DOUBLE CHECK YOUR MATH** ON THE TOTALS. IF YOU EDITED A LINE ITEM, BE SURE TO CLICK BACK THROUGH THE BOXES SO THE GRAND TOTALS UPDATE.
MARKETING PLAN (20 POINTS)

Your marketing plan will help bring your idea to life. In this section, we want to hear how you will promote your program through strategic marketing efforts. Show us an integrated approach to promoting your campaign by thinking about the best places to amplify your message and reach your intended audiences. Please list specific media placements, date of placement (month/year) and cost. Be as detailed as possible.
HELPFUL TIPS for your MARKETING PLAN

- In this section, you will tell us what your marketing plan is.
- You may use your existing, Paid Media marketing budget items as match value for this section.
  - For example, if you place a ¼ page ad in Blue Ridge Outdoors four times a year and the total cost is $5,200, you can list this as an in-kind match with a value of $5,200.
- Marketing line items being reimbursed from prior awards from other VTC grant programs cannot be used as line items in this marketing plan.
- Since this is a new program, there is no lookback period due to the focus on VA250 themes. Only placements on or after October 25, 2022 are eligible for reimbursement.
- The system will allow you to add 10-line items.
- Select from the dropdown boxes the description that best fits that line item.
- Make sure your placement dates are within your program date window.
- Thoroughly describe the line items including describing physical placement, themes, and graphics if interpretive signage and thoroughly describing target markets and demographics if a marketing item. For Welcome Center/PMAP line items, be sure to indicate the Welcome Center(s) you are selecting and the # of months of placement at each center in the description.
- If your marketing plan includes interpretive signage, please upload a draft of the proposed texts and images. If images are not yet available, describing the images is acceptable. We understand the text may change as you work with historians and sign contractors.
  - **NOTE:** When entering the dollar amount of your budget items, enter as a whole number, without the dollar sign, and without a comma. Example: 1535
  - **REMINDER:** USE WHOLE NUMBERS; NO DOLLAR SIGNS, DECIMALS, OR COMMAS.
  - **IMPORTANT:** PLEASE DOUBLE CHECK YOUR MATH ON THE TOTALS. IF YOU EDITED A LINE ITEM, BE SURE TO CLICK BACK THROUGH THE BOXES SO THE GRAND TOTALS UPDATE.
- The total Budget Amount should at least equal your Requested Funds. It is okay if your Total Budget Amount exceeds your Requested Amount, but the maximum award for this grant will be $10,000.
- **VTC Industry Advertising Co-Op Program & PMAP Program**
  - More information on the VTC Co-Ops is available at https://www.vatc.org/marketing/advertising/partneradvertising/

  - **NOTE:** Do NOT send via email or regular mail any attachments including existing marketing plans or other materials. You MUST complete the marketing plan using the format below. Any email submissions WILL NOT be reviewed.
PERFORMANCE MEASURES (20 POINTS)

In this section you will tell us how you will know if you are successful. Please state at least three ways you will measure the success of your program, where those numbers are today, and where those numbers should be in one year. This section will be used when you submit your final report at the end of your program. You may add applicable Performance Outcomes as needed.
HELPFUL TIPS for your PERFORMANCE OUTCOMES

- In order to know if you are successful, you need to establish ways to measure your success.
- The hope is that your marketing program will generate more visitation, occupancy and/or revenue AS WELL AS MORE SUPPORT FOR YOUR VA250 INITIATIVES.
- This can be as simple as identifying a few items to keep track (your metrics); identify what those numbers are today (your baselines), and where you hope to be in the future (your goals).
- In this section you will let us know how you will measure your success.
- A couple of examples are:
  - **Metric**: Attraction Visitation, # of Event Sponsors, Occupancy, Meals Tax Revenue
  - **Baseline**: 2,500, 3, 100 rooms, $750
  - **Goal**: 3,000, 5, 110 rooms, $1200

- Complete the section below with your Performance Outcomes
- The system will allow you to three Performance Outcomes from the drop down box in each line item.
- In this section you must also indicate how you will continue this project after this funding cycle. For instance, if you are installing interpretive signage, how will continue to promote the sign location and nearby visitor experience throughout the commemoration years?
- You must also indicate your plan for implementing this project if your application is not fully funded. Will you work on finding sponsors? Will you reduce your marketing outreach? Will you allocate additional cash match to cover the reduced award?
