

# VIRGINIA IS FOR LOVERS®

## Virginia Tourism Corporation (VTC) | Destination Development Team

The **VTC Partnership Marketing Destination Development Team**, part of the VTC Partnership Marketing Division, provides guidance to needed resources, educational opportunities, planning, and technical assistance to municipalities, tourism organizations, and current and potential tourism businesses. The Destination Development Specialists focus on growing and promoting new tourism businesses and the development of community-based tourism products throughout the Commonwealth of Virginia, with special emphasis on high-growth potential areas across Virginia. For more information on the VTC Partnership Marketing Destination Development Division programs, visit <https://www.vatc.org/partnershipmarketing>.

***The mission of the VTC Partnership Marketing Division's Destination Development Management Team is to maximize the potential of economic development and job creation through tourism in the Commonwealth of Virginia.***

***Our vision is to make sure every Virginia community has Realized their potential as a tourism destination.***

### ***VTC Partnership Marketing Destination Development Team Services:***

#### **Business Development**

Assistance with entrepreneurial development including business plans, financial planning, regulations and other business-related issues for both new and existing tourism businesses. VTC is an active partner with other local, state, and federal assistance organizations. VTC Partnership Marketing also hosts the VTC Orientation Program which provides an overview of VTC programs to our industry partners.

#### **Business Development**

Assistance with identifying funding sources, including grants and loans, for tourism-related businesses and programs. This includes making connections to local, state, and federal funding programs. Partnership Marketing administers the VTC Marketing Leverage Programs, the Virginia DMO Marketing Grant, the Virginia Special Events and Festival Program, and the Virginia Tourism Development Financing Program.

#### **Tourism Product Development**

Assistance with creating and launching tourism product and programs within a community. Planning assistance including resources for inventory, research, and organizational development through Tourism Assessment Plans. Partnership Marketing also assists with implementation of DRIVE Tourism 2.0 - Virginia's Statewide Tourism Plan. New tourism product is a critical component to grow Virginia's communities.

#### **Tourism Product Development**

Facilitation of relationships between Virginia tourism industry partners with the Virginia Tourism Corporation, as well as with existing tourism offices and related tourism organizations. The Partnership Marketing Development Team works to connect industry partners with other local, state, and federal agencies and programs helpful to Virginia's tourism industry.
