- Applicants can request up to **\$20,000** if they list a minimum of 50% cash or in-kind match.

**Applicants are not required to apply for the maximum award and we encourage applicants to only apply for the amount of funds they need for a targeted marketing campaign. These funds are not intended to replace your normal marketing budget, but are intended to extend your marketing.*

Matching Grant Program

- To receive the award amount you request, you must list a minimum of **50%** of cash or in-kind matching expenses in the application.
- **Example 1:** *In the application, if you are requesting an award of \$20,000 from VTC to use on your eligible marketing expenses, you must list a minimum of \$10,000 in matching eligible expenses.*
- Only items listed in the Eligible Expenses section of this document can be used as cash or in-kind match to obtain your award. However, Earned or Owned media may be counted as in-kind match. Please refer to the application instructions to learn how to value your Earned or Owned media.

Reimbursement-Based Grant

- Funds are not awarded up-front. Your award is held in a grant account with VTC, and you may spend-down your funds by submitting your invoices, proofs of advertising, and proofs of payment for review. Once reimbursement is approved, your funds will be paid to you. VTC does allow for intermittent reimbursement so you may draw down funds as needed until the full award balance has been disbursed. Final reimbursements will only be processed if the required Final Report with performance outcomes is included.

For Established & Officially Recognized Destination Marketing Organizations Only

- Your DMO must have gone through the VTC DMO designation process and have had a local resolution passed by the governing body at the locality level. If you are a regional DMO, resolutions must have been passed by all localities in the regional footprint. DMOs must have an officially registered Federal Employer Identification Number (FEIN).

Only online applications entered through our website will be accepted. The application for this program can be found at this link ONLY when the grant officially opens: <https://vatc.org/grants/>

Partner/Spoke Involvement Requirements

Using VTC's Hub & Spoke Itinerary model, the partners/spokes you list in your application must contribute to your program initiative, either through a financial commitment to the marketing initiative or through marketing collaboration. Please refer to the application instructions for more details on the Hub & Spoke model. These contributions/collaborations must be documented in the application narrative and will be evaluated. Envision your Hub & Spoke where your destination and your partners are part of an itinerary designed to engage visitors and extend their stay.

Applications must explain and justify, using tourism research, on how the proposal’s target markets, demographics, and marketing channels will drive overnight and out of region visitation to their locality. Proposals which lack adequate justification of the choices outlined in the application may be subject to a reduced award or not receive funding. Applicants are encouraged to use their own data/research, their local DMO research, and/or data/research provided by VTC in the application. VTC’s research portal can be found here: <https://www.vatc.org/research/>
- The program has a **look back period** and expenses may be dated back to **December 1st, 2024**.
- If you need to make any substantial changes to your marketing proposal after the time you are awarded, you must submit a VTC Plan Revision form to the VTC Grants Team and have it approved.

- Businesses/events related to political activities.

SCORING PROTOCOL

Scoring Statements

There are limited funds available for this program. Therefore, funding will be awarded on a merit scale; only the highest scoring application proposals will be funded. Since awards are determined from these scores,

your application must be complete and thorough. Actual awards may or may not equal the amount you originally requested and are based on available funds at the time of award.

Do not assume that the review team is familiar with your area, destination, business, event, or festival. You should include all requested information and be as detailed as possible.

When determining the award total for an application, Virginia Tourism Corporation may consider a variety of factors. These include the type and scope of the organization, the proposal's audience and message, the number of applications received, the regional distribution of funds, and MOST IMPORTANTLY, the economic impact of the program and its ability to drive visitation/visitor revenue in the program coverage area. This program is funded by legislation that requires no Go Virginia region receive more than 20% of the total funds available.

Please see the score breakdown for each section below:

GOALS & PARTNERSHIPS – 25 POINTS

RESEARCH/DATA – 25 POINTS

MARKETING PLANS – 50 POINTS

BONUS SECTION – 5 POINTS
